

# NCAMPO 2015 Conference

## “At the Crossroads”

Raleigh Convention Center  
April 29-May 1

## Sponsorship and Vendor Opportunities

We greatly appreciate your consideration and support of the 2015 NCAMPO Conference. This year’s conference will be held at the Raleigh Convention Center located at 500 S. Salisbury Street, Raleigh, North Carolina, 27601. More than 300 participants from MPOs, RPOs, NCDOT, the consultant community, transit agencies, and other organizations are expected to attend the conference. While transportation planners, engineers and consultants make up the core participants, the conference also offers an opportunity for transit administrators, elected officials, land-use planners, students, and others to learn more about a variety of transportation related topics. ***This is a wonderful opportunity for sponsors and vendors to connect with these individuals and to share their products or services with decision-makers.*** There are several levels from which to choose, and all sponsors and vendors will receive extensive exposure to attendees and other guests over the three day conference.

Please take a moment to review the various sponsorship levels and vendor opportunities available. We ask all interested organizations to let us know their intent to sponsor the conference by March 6.
